Hi All,

Thank you for taking the time to read this week's newsletter.

Students have been working extremely hard getting on with their assessment tasks over the previous week. Next week we will complete many of our end of year tests; PAT tests, Reading Records and C2C unit.

DANCE PERFORMANCE – FRIDAY 28TH November from 1.30pm

Students have been participating in a two dance workshop with Kim Whitta. They have been working extremely hard and tirelessly on learning new dance routines for the Christmas concert. Kim Whitta and the students would like to invite everyone to come and be a part of our viewing audience tomorrow afternoon from 1.30pm as the students display their talents and show off what they have learned. So come along and be a part of our audience, I'm sure you will leave with a smile on your face.

Swimming Carnival

Congratulations to all our swimmers who participated in last week Macintyre's swimming carnival. Everyone looked as though they had an amazing time! When I wasn't monitoring the swimmers, all I could see were the student's faces beaming with excitement. In the end we came so close to winning the carnival to be only picked at the post by Talwood. Huge congratulations to Tiggy Ladner who was named aged champion for her respective age. Thanks to the staff & parents who helped out on the day - big effort the carnival couldn't run without you.

End of Year Celebration Evening

Preparations are well underway for our 2014 End of Year Celebration evening. School will finish at 1pm next Friday, 5th December to allow students to have a break before returning for our end of year concert. The evening will commence at 5:30 with the Our "Gruffalo in Scots" play followed by our version of Cinderella dance and song. The awards presentation will conclude the formal part or the evening. The awards evening and concert performances are open to the whole community. A BBQ dinner will follow over at the club an auction of student cooking which I hear is well sort after commodity.

Have a great weekend,
Craig

---

PLEASE SLOW DOWN & RESPECT THE SPEED LIMIT SIGNS IN AND AROUND THE SCHOOL, MILL & HOUSES—ESPECIALLY DURING THIS VERY DRY & DUSTY TIME  THANK YOU
