Lundavra State School is turning 50 years old this year in October. During this time, music has changed dramatically in all genres. In 1964 people were listening to bands such as the Beatles and the Beach boys. In the 1970’s punk band The Clash were making records as well as Swedish band Abba. In the 80’s we were rocking out to ACDC and dancing to Michael Jackson. In the 90s, grunge band Nirvana were making it big and people were singing Spice Girl’s Wannabe. In the 2000’s Lady Gaga was dressing really weird and we were all singing along to P!nk. Today some of the bands that I listen to are Katy Perry, Bruno Mars, Taylor Swift, Beyoncé and Skrillex.
